## Program Gets Underway

Playground activities at the 223rd St. School are well underway reports the playground chairman of the school PTA. Boys and girls track teams have been organized, and roller skating parties have been held. A boys softball team and a girls' volleyball team are being organized. PTA members plan to treat the children attending the playground to snow cones three times during the summer. Trained playground personnel are being supplied by the Los Angeles City Board of Education.

## Wilder Brothers Back on Stage At Marineland

One of the most exuberant entertainment groups, The Wilder Brothers, came swinging into Marineland Restaurant in Palos Verdes this week unwrapping the kind of musical comedy that made them a big hit in three previous appearances at the seacoast dining establishment.

The Wilder Brothers and their swinging sextet, sparkling with showmanship and vitality, will be merry-making in the "Porpoise Room" through Aug. 20. George M. Foster, owner of Marineland Restaurant, signed them to the seven-week engagement.

Featuring chalk-white saxophones, the song-and-dance team offers a big-sounding orchestra with intricate, full-scale arrangements. Their singing talent matches the rich-toned instrumentation, making their tuneful shows in the "Porpoise Room" lively for listening.

## American S-L Continuing to Mark Growth

American Savings and Loan Assn. is continuing its present well-established rate of growth, said Executive Vice President Lowell Peterson. A \$21 million rise in assets since Dec. 31, 1960, sets another American Savings record. Current assets over \$281 million and reserves over \$25 million make the association one of the nation's strongest.

An upsurge in home financing was also reported for the 13-branch association. In the first six months of this year new-loan activity was up 135% from figures for a similar period in 1960. Real estate loans extended to borrowers since the start of 1961 amount to \$38 million, bringing American Savings' total mortgage loan volume to \$251 million.

More than 100,000 account holders are served by American Savings offices. Each account is insured to \$10,000 by an instrumentality of the Federal government and earn 4 1/2% current annual interest, paid or compounded quarterly. New savings received by July 10 will earn interest from the first of the month, Peterson added.

Founded in 1920, the association has offices in Azusa, Garden Grove, Hawthorne, La Puente, Manhattan Beach, Montrose, Norwalk, Palmdale, Redondo Beach, South Bay Center-Redondo, Temple City, Whittier, and East Whittier.
